*3 Year parts and labor warranty*

## ***AskUs Computer Services Warranty***

*3 year on all physical parts and 3 year labor while in the possession of the original owner*

### **Terms-**

This warranty is non-transferable

If a component is defective contact AskUs immediately. (859) 236-4040

AskUs' offices hours are Monday – Friday 9:00am – 5:00pm EST

All services and phone support will be conducted within office hours.

AskUs will respond to any on-site service request within two (2) hours.

### **Coverage-**

Coverage begins upon receipt of hardware.

This warranty covers manufacturer's defects in materials and workmanship.

This warranty covers labor to repair computer components (not software or operating system problems).

### ***No Lemon Policy-***

If a component or peripheral requires repeated repairs (4 or more). AskUs will replace the item with a comparable item not to exceed the original purchase price.

Preventive maintenance checks, cleanings, product diagnosis, customer education and computer software or operating system related problems are not considered repairs for purposes of the No Lemon Policy.

### **Coverage Exclusions-**

- LCD monitors covered by manufacturer warranty
- This warranty does not cover repairs caused by accidental or intentional physical damage, spilled liquids, insect infestation, lightning, power surges, misuse, abuse or damage caused by non-authorized personnel. \*
- This warranty does not cover damage or loss of functionality due to re-locating computer hardware or peripherals.
- This warranty does not cover software compatibility, software installation issues, or operating system problems.
- This warranty does not include preventive maintenance.
- This warranty does not cover data loss due to any circumstances.
- This warranty is not transferable.
- Opening the case within the warranty period (unless authorized by AskUs) voids the warranty.
- Any repair done without consent of AskUs voids this warranty.

### ***Customer Obligations***

The Customer must maintain the Equipment in a good operating environment, including proper electrical supply, in accordance with manufacturer's instructions, including cleaning. The customer shall be responsible for all proper packaging, freight, and insurance charges to AskUs' authorized depot location. CUSTOMER SHALL BE SOLELY RESPONSIBLE FOR ADEQUATE BACK UP OF ALL FILES ON A DAILY BASIS.

### **When Service Is Needed**

Please call the number below when you require service: (859) 236-4040

Please retain this Warranty Certificate for evidence of your coverage.

\*AskUs strongly recommends use of a surge protector on both the power and phone line. For adequate protection, be sure surge protector is rated to stop at least 900 Jules

### ***Repairs and Returns-***

Product may be returned within 10 days after receipt for a full refund.

Owner must ship or deliver product to:
